Rules and Regulations for Hiring of Skips

The following items should not be placed in the skip

- Fridges and Freezers
- Liquids and Oils
- Waste Electrical Equipment (WEEE Waste) including TV and Computer monitors
- Fluorescent Light Tubes
- Hazardous Waste
- Medical Waste
- Tyres
- Paint Tins
- Batteries
- Gas Bottles
- Plasterboard

We may be able to assist in the disposal the above items, please give us a call to discuss.

1. Skips should only be filled to a level load no higher than the top of the skip
2. No fires are allowed in the skip.
3. Skips placed on the public highway or verge will require a licence issued by the local authority. Please give us a call to discuss.
4. Suitable access must be provided for our vehicle to deliver a skip to your property. Whilst our experienced drivers will take the upmost care we accept no liability for any damage incurred during delivery or collection of skips.
5. Standard Hire period is for up to 4 weeks. If you require the skip for a longer period please advise us at the time of ordering
